Show Committee – voted not to let kids in

34 head entered with problems, pending reg number, family farm name, no registration yet, in siblings name, provided a registration number but can't find. Talked to someone was waiting on DNA. Once entries in and there were 34 head. Cassie didn't want to make the call alone. Wants the entire board to decide.

Kelley, pairs, where the calf is not registered. Can't penalize them for that. Some still not registered

Chessie on the 14<sup>th</sup>, asking them to watch the papers to make it through.... She had to tell them they needed a rush fee.
