The Grandparents Challenge was created by Jim Rose, Jr Board President Paige Van Dyke's Papa. He generously donated \$500 to NAJRAE, to be used specifically for the juniors, but Jim wanted to take this a step farther and challenge the rest of the Grandparents/loved ones to do the same. He challenges you to donate to this challenge were 50% of the proceeds go to the Junior Board fund, 25% to the Peewee/Big Little program, and 25% to the Scholarship Foundation Fund.

If we reach our goal of \$10,000 Jim has announced he will donate another \$500 to make a total contribution of \$1,000. Help us make this possible to ensure this is the best event yet! Please mail in your donation to the address listed above with this form attached! Thank you for supporting this event along with all the Juniors it touches across the nation!
